A Share in My Joy and Glory

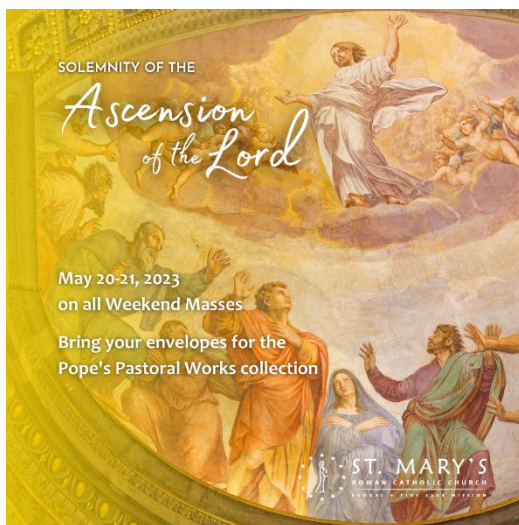

Meditation:

The Resurrection. Today, during the [Mass of the] Resurrection, I saw the Lord Jesus in the midst of a great light. He approached me and said, Peace be to you, My children, and He lifted up His hand and gave His blessing. The wounds in His hands, feet, and side were indelible and shining. When He looked at me with such kindness and love, my whole soul drowned itself in Him. And He said to me, You have taken a great part in My Passion; therefore I now give you a great share in My joy and glory. The whole time of the Resurrection [Mass] seemed like only a minute to me. A wondrous recollection filled my soul and lasted throughout the whole festal season. The kindness of Jesus is so great that I cannot express it (Diary, 205).

My Prayer Response:

Lord Jesus, I gaze upon You as the Risen Lord through the eyes of St. Faustina — and I contemplate the victory of Your Passion, Death, and Resurrection over sin, death, and Satan. May I live in that victory!

**The words of Jesus appear in boldface type*

A MESSAGE from THE BISHOP OF CALGARY

As the Bishop of Calgary I urge the faithful to continue to oppose the expansion of the legal access to euthanasia/assisted suicide in our country of Canada.

As a society we must be committed to address the social factors which adversely affect those most vulnerable and who will be forced based on their life's circumstance to consider MAiD - mental health, old age and infirmity, loneliness, marginalization, stigmatization, poverty, and abandonment.

As a society we must respond to these individuals and the condition of their lives in ways which demonstrate that they possess inherent value and that they are loved.
