The celebration of the Liturgical Year has a special sacramental power and force which nourishes and strengthens the life of Christians. PASTORAL CARE OF THE SICK

Ardor of Your Heart

Meditation:

Know, My daughter, that the ardor of your heart is pleasing to Me. And just as you desire ardently to become united with Me in Holy Communion, so too do I desire to give Myself wholly to you; and as a reward for your zeal, rest on My Heart (Diary, 826).

My Prayer Response:

Lord Jesus, set my heart on fire to receive You with greater desire and fervor. May Your Eucharistic Presence be my reward. Let me rest on Your Heart.

A MESSAGE from THE BISHOP OF CALGARY

As the Bishop of Calgary I urge the faithful to continue to oppose the expansion of the legal access to euthanasia/assisted suicide in our country of Canada.

As a society we must be committed to address the social factors which adversely affect those most vulnerable and who will be forced based on their life's circumstance to consider MAiD - mental health, old age and infirmity, loneliness, marginalization, stigmatization, poverty, and abandonment.

As a society we must respond to these individuals and the condition of their lives in ways which demonstrate that they possess inherent value and **that they are loved.**
