The celebration of the Liturgical Year has a special sacramental power and force which nourishes and strengthens the life of Christians. The reason for the restoration of the Liturgical Year is to help believers through their faith, hope and love to share more fully in the entire mystery of Christ as it is unfolding throughout the year.

PASTORAL CARE OF THE SICK

The Wound in My Heart

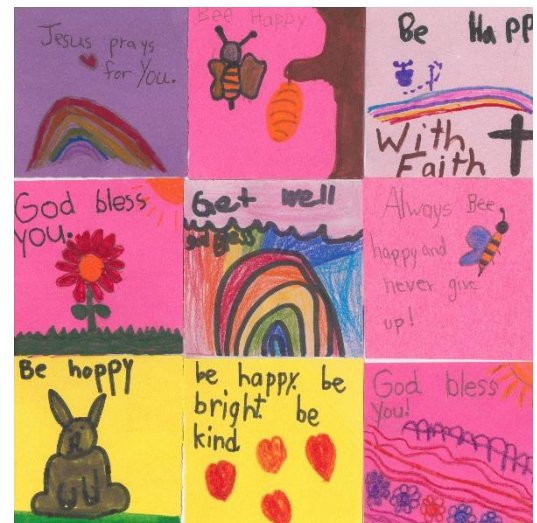

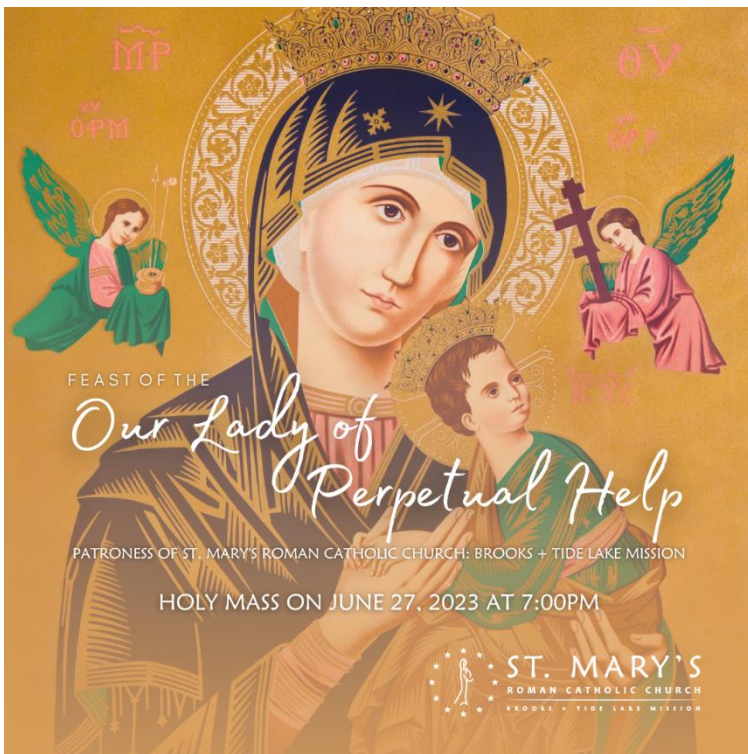

Meditation:

From all My wounds, like from streams, mercy flows for souls, but the wound in My Heart is the fountain of unfathomable mercy. From this fountain spring all graces for souls. The flames of compassion burn Me. I desire greatly to pour them out upon souls. Speak to the whole world about My mercy (Diary, 1190).

My Prayer Response:

Lord, I turn to the wound in Your Heart for all the graces that people need in their miseries. Pour out Your mercy on the whole world. And give me the courage and strength to speak to others about Your mercy.

**The words of Jesus appear in boldface type*

STAND FIRM - PRO-LIFE NEWS

submitted by Mona Patterson

Check out the following link from Campaign Life Canada

Four International doctors presented with clarity, honesty and compassion the need for all to stand firm against the horrors of abortion.

This roundtable discussion was at the National March for Life Rose Dinner held in May. A researcher, a former abortionist, an Ob/Gyn, and a Board member of Physicians for Life, share their knowledge, and experiences on the "storm that is brewing".

Awareness is key, courage to speak truth so very important and above all else....prayer is essential. We are labourers in His vineyard.
