The celebration of the Liturgical Year has a special sacramental power and force which nourishes and strengthens the life of Christians. The reason for the restoration of the Liturgical Year is to help believers through their faith, hope and love to share more fully in the entire mystery of Christ as it is unfolding throughout the year.

PASTORAL CARE OF THE SICK

We are pleased to bring the Sacrament to all ill parishioners. Please notify the Parish Office, if a family member is hospitalized.

Suffering and Praying for Souls

Meditation:

[Sister Faustina was vexed by demons during the night. One of them took the form of a cat, jumping onto her bed:]

I kept praying the rosary all the while, and toward dawn these beings vanished, and I was able to get some sleep. When I entered the chapel in the morning I heard a voice in my soul, **You are united to Me; fear nothing. But know, My child, that Satan hates you; he hates every soul, but he burns with a particular hatred for you, because you have snatched so many souls from his dominion** (Diary, 412).

My Prayer Response:

Thank You, Lord Jesus, for Your word of warning: Satan hated St. Faustina because she snatched so many souls from his dominion. Please protect us as we suffer and pray for the salvation of souls.

**The words of Jesus appear in boldface type*

Just last month, as part of the evangelization plan for St. Mary's Parish Renewal; the Alpha program (of 16 weekly sessions) headed by Christine Kleiboer, finished successfully.
