What is believing? John's Gospel uses terms such as "to believe" and "believing" about forty times, always as a verb, never a noun. Believing is not an intellectual process but rather a dynamic action. Believing is discipleship. Thomas was open to the Spirit - the Spirit who came by the water and blood of the crucified Lord.

Fifth Day

Meditation:

Today bring to Me THE SOULS OF THOSE WHO HAVE SEPARATED THEMSELVES FROM MY CHURCH, and immerse them in the ocean of My mercy. During My bitter Passion they tore at My Body and Heart, that is, My Church. As they return to unity with the Church, My wounds heal and in this way they alleviate My Passion (Diary, 1218).

My Prayer Response with St. Faustina:

Most Merciful Jesus, Goodness Itself, You do not refuse light to those who seek it of You. Receive into the abode of Your Most Compassionate Heart the souls of those who have separated themselves from Your Church. Draw them by Your light into the unity of the Church, and do not let them escape from the abode of Your Most Compassionate Heart; but bring it about that they, too, come to glorify the generosity of Your mercy (Diary, 1219). **The words of Jesus appear in boldface type*
