It looked like death, but really it was life! The sun was up; the Son was raised. That morning the beauty of the Son of Man, who was the Son of God, gradually came to life in the hearts of his followers. "Do not be alarmed," the angel said. "You are looking for Jesus... He has been raised!" What joy! What peace!

CONCLUSION

St. Mary's Parish is in a good financial position as of 2023 Year-end. Revenue have been trending up despite the increasing cost of operation.

We thank you, our parishioners, for your unwavering generosity to support our local Parish, its people, its initiatives and its pastoral programs for the betterment of our souls, our life of faith and our community as a whole.

Parish Statement of Operations

CONCLUSION (cont'd)

Expenditures have started to go down since 2022, as a result of the Pastoral Initiative to reduce unnecessary operational costs, active parishioner relationship and involvement, and increasing parish operational and pastoral efficiency.

Despite the COVID19 Pandemic (2020-2022) which caused a significant strain in our lives, our parish and our community; St. Mary's Parish and its' Parishioners stood up the test of time and become ever more resilient.

As the result of the efforts of our Parish Priest, Rev. Fr. Marino Infante, the Parish Staff and the various Parish Ministries and Organizations, despite many challenges after the pandemic; the beating heart of our Parish life and our community, the Holy Eucharist, became ever more present and more prominent as shown by the increase of people receiving the Holy Sacraments (Baptisms, First Reconciliations, First Communion, Confirmations, Marriages & Anointings of the Sick) and entering RCIA + RCIC, increase in pastoral programs due to parishioners taking in leadership, highly active parish to parishioner relationship which resulted in increased registrations and increased donors who provided the needs of the Parish; and the increased outreach of the Parish, through its various ministries, organizations and Catholic Schools, serving the pastoral needs of the whole community.

Parish Renewal Teams: Blessed Beginnings

What an exciting time for us in the Diocese! Over 44 parishes sent their Parish Renewal Team members to an orientation which took place simultaneously on Saturday, Feb. 10, 2024, at St. Luke's and St. Albert the Great's in Calgary, St. Martha's in Lethbridge and Holy Family Parish at Medicine Hat. Close to 300 parish renewal team members joined in the orientation day, which was filled with lively conversation and learning opportunities.

Then we heard the testimonies of three fellow parishioners who shared their personal experiences. Sarah Stamp from Vauxhall, AB spearheaded the testimonies, focusing on the primary goal of Pastoral Renewal: Strengthening Family Life. Lorand Szojka from St. Peter's Parish in Calgary spoke about Forming Missionary Disciples in Christ. Lastly, Liisa Honish, a parishioner from St. Albert the Great's Parish shared her experiences on being a Church of Encounter and Witness.

The speakers emphasized the significance of personal connections

and mutual care, rather than relying solely on programs. They highlighted the profound and lasting impact of simple acts performed with love within parish communities and families. Furthermore, they provided insights on integrating faith into daily life, embracing our roles within families, and fostering welcoming parish environments.

One member found the testimonies inspiring, stating, "There are people out there already living it. That means it's possible!" Bonnie added, "Participants were really inspired by the testimonies of Sarah, Lorand, and Liisa and relished the opportunity to discuss renewal ideas in their small groups. They left feeling enthusiastic and encouraged by their colleagues and peers, and most especially by the leadership and support provided by the Diocesan Leadership Team."

Following the group discussion, the sites were filled with a contagious enthusiasm. After getting an overview of what the next several months will look like for the teams, they were sent out with a prayerful commissioning by the Bishop.

The pilgrimage has begun and we are greatly comforted knowing we walk together. We left with these encouraging words ringing in our hearts: We can make renewal happen! Here's to a future filled with love, growth, and renewal!

If You Feed Them, They Will Come

After a successful launch of Alpha at the parish as part of our community's response to the synodal process, it was a natural progression to bring Alpha Youth to the students at St. Joseph's Collegiate (SJC). SJC is a grade 9-12 Catholic school in Brooks, with about 460 students. We cater to a diverse community, with a wide range of cultural and language backgrounds, as well as varying practices of faith - most students non-practicing, many nominally and some practicing Catholics, some ethnic orthodox denominations, as well as a growing number from other Christian church communities.

Just before the start of the school year, we committed to running the Alpha Youth series in our school during our 42 minute lunch break. Four staff were recruited to facilitate groups, the supervision schedule was adjusted to free us all up at the same time, and we started online training and promoting. Overall, we have had a consistent 24 students who have made most if not all of the sessions, and probably had another dozen or so who checked it out a couple of times at the start.

Feedback consistently sounds like: "I love my group, so my favourite part is discussing ideas, expressing my thoughts, and listening to other's opinions." Or, my favourite part is "the connection and community." Reassuringly we even gotten, "the food is great, but I also enjoy hearing other people's perspective on the questions." They are excited to keep the conversations going to continue to explore and deepen their own faith, and to share it with their peers.

Through Love and Mercy

Meditation:

September 25, [1937]. When I learned how great are the difficulties in this whole work, I went to the Lord and said, "Jesus, don't You see how they are hindering Your work?" And I heard a voice in my soul: **Do as much as is in your power, and don't worry about the rest. These difficulties prove that this work is Mine. Be at peace so long as you do all that is in your power** (Diary, 1295).

The Lord said to me, **It should be of no concern to you how anyone else acts; you are to be My living reflection, through love and mercy.** I answered, "Lord, but they often take advantage of my goodness." **That makes no difference, My daughter. That is no concern of yours. As for you, be always merciful toward other people, and especially toward sinners** (Diary, 1446).

My Prayer Response:

Lord Jesus, in difficulties in my work and relationships, may I rejoice and do what is in my power with peace. May I always be merciful. **The words of Jesus appear in boldface type*
